PORTRAIT SESSIONS:

Our portrait sessions are designed to be fun and personal, not “in and out” at the store. We spend a little time to get to know your tastes, styles, interests, hobbies, and so on. We want to know you so we can capture the real you. An impersonal session at the local big box outlet rarely provides that same result.

FULL SESSION \$95

Two Hours with a Photographer
One 5x7 Print included with Session Fee
Unlimited Poses, Props, Clothing Changes
(Within Session Time)

HALF SESSION \$50

One Hour with a Photographer
One 4x6 Print included with Session Fee
Limit 3 Props, 2 Clothing Changes

* With both session options above, travel within the Twin Cities for on-location appointments will be included at no additional charge. Travel time may impact appointment time.

CONCERT AND EVENT PHOTOGRAPHY:

We have photographed many major concerts and events in the Twin Cities area. These have included major performing artists such as Mercy Me, Casting Crowns, and Michael W. Smith as well as personalities such as Franklin W. Graham. In addition, we have photographed events like the Maple Grove “Deep Freeze Dunk”. For some events, we have donated our time and for others, we have donated print price income. This is just one of the ways that we like to give back to the communities in which we serve.

STANDARD FEES: \$195/2Hrs | \$295/3Hrs | \$395/4Hrs

Includes Photographer Time only
Travel time within the Twin Cities area is included at no additional charge
Print prices or licenses not included (See gallery pricing on our site for prints and licenses)

PHOTOGRAPHY SERVICES:

In addition to our “behind-the-camera” work, we offer photography services including photo correction, photo restoration, and matting and framing. We take great care of your original works as we restore color, remove blemishes, scratches, and minor stains. We have performed minor photography “surgeries” that included swapping heads, closing zippers, fixing acne, and much more.

STANDARD FEES: \$35/Hr
